BILL HEADS,

binstration of your government, I have.

I acquision a distinct object in view. I for your public servants, now many a your employment, and I fully recognize a mecount, on all proper occasions, as an account, on all proper occasions, its wardship with which you have increased and put it in perfect order for corn, wheat, one I also Stand to-day, as I have be more than the third of a century behave, the integrity, the justice, the sim and the triumph of the democratic overcome the evils with which his furm was afflicted before he took powersion. The here-is and the triumph of the democratic you would extend to the farmer in his work of w. citizens of Indiana, let us take a

And now, citizens of Indiana, let us take a rivery of the political situation, and by the demanight of recorded and undisputed facts the responsibility of parties and vindicates to truth. What a visitor rises to our view as look backward for the causes which have into the present condition of the country solid mass of republican legislation from it to iss confronts us.

I defy the ingentity of man to show where, it is is a confront us.

I defy the ingentity of man to show where, it is is a confront us.

I defy the ingentity of man to show where, it is not confirmed and dictated by vanised capital and against labor, whether analised approach the party so long in confirmed of he money power, since the spring of its is the work of the party so long in confort of legislation. During the past tweive outs hard times and financial distress mong the people have been everywhere felt, of its responsibility for such a condition of the country has been the theme of constant, and at times, of violent and acrimonlous discussion. I challenge history on this subject, the republican party, by virtue of its general anaetish policy, and the great body of its one-off the policy and the great body of its one-off the policy and the great body of its one-off the policy and the great body of its one-off the policy and the great body of its one-off the policy and the great body of its one-off the policy and the great body of its one-off the policy and the great body of its one-off the policy and the great body of its one-off the policy and the great body of its one-off the policy and the great body of its one-off the policy and the great body of its one-off the great

he author of every period of hard times, carcity of money in circulation, bankrupteg, rusiness prostration, and unemployed labor-time the first ascendancy of that party to the

The fact that the amount of money in actual race that the active business inter-ice is less than the active business inter-the country demand is a most oppres-vil, but the power of money centers and mey organizations to contract the cur-without limit or restraint to virtually the country of the money it so much

erly atyled the giant national curse of the age in which we live. No deep, dark, rotten, miasmatic private greed, to blight and destroy the general of the country. The idea here presented is an appalling one. No other govern-ment within the boundaries of civilization, as far as I can learn, has ever committed and in such amounts as will inure to the benefit of private speculation and personal gain rather than to the public interest. Yet such is exactly the terrible power wherewith the re-

publican party has endowed the great money corporations of the country, and such is the fatal power they have so often called into disimplacable trust, whether in sugar, whisky, coal, lumber or sait, every grinding monopoly

dollars of mortgages on the property that a people enrich themselves by divergent of the people. Their burdens, he deof the people. Their burdens, he de-clared, had never been lightened by the republicans, but on the contrary been increased.

When the I silver

the bill which spealed the Sherman while removing that admitted obstruc-ne general welfare. I was careful to ally reassert the democratic sational of 1892, wherein it is declared that to the use of both gold and silver or

cations delay, occasioned by the mis-fective rules of the senate, this re-nutsance and standing menace to the of the country was removed, the pur-lause of the Sherman act was re-por some months pact you have often a meeting and somewhat idlotte in-

from people who have good net incomes rather than from people who have nothing but their wants, and their labor with which to meet them. What is this but a transfer of inxallon for the support of the government from the laboring mun to the idle and comfortable rich? What is it but a relief from high protection and a direct and powerful blow to the whole protective system? On the floor of the senate

The proposition contained in the pending bill to key a tax of two per cent on all net in-comes of corporations and of individuals in ex-cess of four thousand dollars per annum is so roding selfishness of riches has been arouse by this simple measure of justice into flere resentment and contention. We hear on all hands the dictatorial voice of individual and corporation wealth demanding that it shall not be disturbed by the slightest touch of the tax

"On all the wants and necessaries of life the fen or swamp was ever more certain to propa-gate death-dealing malaria than is the power of money contraction, lodged in the hands of laboring man or laboring woman whose wearrates of tariff tax under existing laws than the laboring man or laboring woman whose wearing apparel is of coarser material and whose household living is supplied with cheaper goods bearing higher rates of duty. His bonds, his accumulated riches of all kinds, and all in-comes arising from them, are exempt from all as far as I can learn, has ever
to private parties the power to make money
plenty or to make money scarce; times

A Tornado in a Kansas Town. WICHITA, Kas., Oct. 2.-A tornado struck the northern part of this city

as heard from no fatalities occurred.

Terrible Tragedy in Wisconsin. KENOSEA, Wis., Oct. 2.-Four persons ere roasted alive and two others badly burned at the farm residence of B. B. Pierce, in Wilmot, near the state line. Mr. Pierce is one of the best known farmers in the southern part of Kenosha county. His family consisted of his wife, three sons, aged 25, 29 and 34 years, and a daughter, aged 18. All slept upstairs. The young man first noticed the fire and leaped down stairs. He then returned to rouse the others,

but perished with his brothers and sis-
